

Job Title: Operations Analyst

Location: Minnetonka, MN

Pine River Capital Management is a global asset management firm focusing on relative value strategies across a full range of financial markets. Founded in early 2002, Pine River has grown into a leading asset manager, attracting top talent and making significant investments in operational infrastructure and risk controls. The firm provides investment solutions to qualified clients across two actively managed platforms: hedge funds and separate accounts. Pine River operates out of offices in Minnetonka, New York, London, and Florida.

Position Description:

Pine River is currently seeking an Operations Analyst to assist with all of the post-trade lifecycle events happening within our expanding Global Operations Team. The role will be responsible for the daily trade process of a variety of different security types across multiple geographies.

Key Responsibilities:

This position will support a variety of critical functions, including:

- Daily margin call monitoring
- Daily reconciliation of position and cash balances
- Working closely with external counterparties to resolve transaction and position breaks in a timely manner
- Affirmation/Confirmation of derivative transactions
- Internal reporting to senior management
- Ongoing maintenance of our portfolio management and security master systems
- Other ad hoc projects as required

Qualifications:

- Undergraduate degree in Accounting, Finance, or related field
- 1-3 years' experience in financial services (broker-dealer, hedge fund, etc.)
 - Previous experience in Fixed Income Prime Brokerage a plus
- Exceptional attention to detail
- Excellent time-management skills with the ability to meet multiple deadlines
- Strong communication skills
